“ *My parents (Ed and Sue Rea) were school friends then life to everyone different directions after kids started getting older. I used to love going to their house on Logan. I remember the house on Humbert too. Loved going to both houses. She always hated cutting my hair too I was such a brat. She was just a little spitfire always had a smile on her face when we ran into each other. Hard to believe that Sherry and now Linda! God was waiting to embrace her in his welcoming arms. Rest In Peace Linda you will be missed. My sympathies Jon, Deanna, Lori and Elizabeth and all the people who loved her* ❤️🙏

“ *I am sorry to hear this sad news. Of all our class I think Linda had the most fun. She just knew how to enjoy life. Bless her heart, she was a good person. I haven't seen her in person for some time but seeing her post you could tell she was full of love and loved her beautiful family. She made her world a better place. If you can say that about a person you have said a lot. Rest In Peace beautiful lady. Your spirit lives on in your children and for generations to come. ❤️*
