“ *I am very saddened to hear the news of Lois' passing. My husband & I have been neighbors across the street from Lois for 4 years. We enjoyed visiting with her on the patio in the summertime or just a hello as we pass by. We always looked out for her & lent a helping hand every chance we could. We miss you & will continue to miss you, Lois. God gained a very special lady. RIP my friend.*

“ *I lived across the street from Lois for 17 years. She was always the sweetest, kindest lady. I was heartbroken when I saw that she had passed. Working in my yard won't be the same without being able to look over at your house and waive at you or run over for a visit. I'll miss you, Lois.*

“ Growing up next door to the Minton's was always fun and a good experience. Couldn't have better memories- so many I couldn't begin to know where to start. Lois was always smiling and interested in what I was doing with my life. She always asked about my family. She and my mom looked out for each other. In the later years, I found this such a comfort. Lois was a very "classy" lady and I feel privileged to have known her. She will never be forgotten. My thoughts and prayers to all of her family. She will be sadly missed.

“ Lois was a wonderful lady, I felt honored to call her my friend. She loved each of her family members and enjoyed MYVZtelling me about each one of you. She talked about her grandchildren's weddings and she was so proud of her great grandchildren! My heart goes out to each of you and I will keep you in my prayers.

“ *Wonderful Lady. Always enjoyed visiting with her to discuss electrical problems. She had a good idea what she wanted before I got there. Very sharp! You have my deepest sympathy.*
