“ *Darlene or Mary,*

Here it is, just after Thanksgiving a year and a half after the passing of such and inspiration to many of us. We miss mom dearly and I would love to connect with you, as she had told me about you both. I'm just not sure how to get in touch with you. We miss mom dearly...and are so thankful for all she continues to be in our lives. Please feel free to email me at mtucker@swbell.net.

“ Many prayers for the family of Loraine - her obituary shows the life of a loving woman - and was inspiring to me. I am her half sister by Robert who was given out for adoption - I was blessed to have corresponded with Loraine many years ago. My prayers are with all there.
