“ We lived down the street from Louie's family. Our father was principal at North Jr. when Louie was a student. Dad told us stories about how Louie loved to hunt with his dogs. When Louie went into the service, he gave our dad his hunting dog. Louie came to our dad's 99th birthday party. Our father passed away 4 weeks ago at 103. We are sure dad and Louie are "running the dogs in heaven" Our thoughts and prayers are with the Johnson family.

“ *Although you could tell from the big grin on my face -looking back I wish I would have said thank you more! For the mushrooms, wild game & and endless amount of fresh fried fish. For taking your time with me at the shooting range. For the mule rides you always made exciting (scary ) at your place and the dogs hopping in & out & chasing us. You were quite the character and anyone who has met you could never forget you. I'm blessed to have had you in my life – love you Johnson – I'll see you in Heaven-I'll be looking forward to one of your off color jokes!*
