“ *Patsy and family,*
I am so sorry to hear of Bills passing. Bill was the guy at McDonnell Douglas to guide me on what to do in the graphics group many years ago. He became s a good friend and loved to have fun. I remember coming over to Granite City for several late night excursions or a marshmallow roast in your front yard. I had just shared some photos of him at a work Christmas party from 1972. He was the life of the party.
My sincere sympathy
