“ *Mr. Warner was very kind sweet man, I will always remember his smile, and he and Mrs. Warner always made me laugh. I grew up with Linda and Michelle .I believe I learned to swim in there swimming pool. We used to love to play cards at there house we would laugh so much. Very fond memories of being with the Warner's growing up. God bless you, I pray you feel Gods comfort and love during this time. I know you will think of all the wonderful times you shared together.*

“ i have many memories of Mr. Warner. linda was one of my very best friends growing up, in the neighborhood. he was so thoughtful, after my father lost his leg, mr. warner would clear my folks driveway after a snow. he had the best sense of humor too. i can still remember his smile and laugh. he was a hard worker, good family man and always very welcoming and good to me, along with his wife. they both, along with linda made my childhood better. my condolences to mrs. warner, linda and michelle, and all who loved him and will miss him. so sorry for his passing and hope he did not suffer. with tears i say goodbye and thank you for all the good times. love, becky Batts bayer.
