“ *David, I am so sorry to hear of your mother's passing. Even when we know the time is near, we are never prepared for the loss. My hope is that you will find peace from the memories of love shared with her and that it will comfort you now and in the days ahead. May you also find comfort and strength through the love you share with your family and friends. I am thinking of you and your family at this difficult time. Love, Jan*
