“ *Gresham and Dover Families:*

We are so sorry to hear about Peg. She was a wonderful person and a stabilizing influence in your fun and crazy family. We always enjoyed being around her and will always remember the great times on Hawthorne Avenue, reminiscing and telling stories at Dick and Cheri's bonfires, the golf outings at the Woodlands, etc. You have our deepest sympathies, and our thoughts and prayers are with you and your families in your time of grief.

“ We have fond memories of playing cards at Peg and Bob’s during our early married years. Peg had such an easy laugh and was a joy to be around. We will be holding your family up in prayer and ask that God bring you peace in the days ahead.

“ One of my favorite memories of Peggy is, she was known for her famous cheesecake. So, every family gathering she was assigned “cheesecake”. She also had her famous bake beans....so every BBQ, we knew we could count on her for that. Peggy was a good cook and always loved doing it.

She always greeted you with a smile...may we all keep her light shining through a smile.

*God bless,

“ We appreciate all the text and calls that we have received in regards to our mom's passing. Having this happen during COVID has made this experience even more challenging than one can imagine because we are unable to see everyone, share condolences, provide comfort and share memories. I can recall so many great memories, if you have any good stories that you would like to share, we would love to hear from you. Again, thanks for all of your support and love.
