“ *For us Marge was a wonderful sweet lady that had a huge loving heart for her family and friends and did it with such love, care, and concerns. Words will not hold on paper enough about her and how much we shared so much together in our wonderful talks of the families, and especially the grandchildren, and great grandchild.*

*Marge was ""The Miracle Angel" and fought a long but big battle with strength and determination through God in her life.*

*Our heart goes out to each of you, Lee and the family as a whole. We love you. Now you as the family of a lady that showed with example and what she wants for you is to carry on with togetherness. All the lives she has touched will miss her, but we will have those great memories to hang on to and each other.*

*Our deepest sympathy to the family of Marge Monroe. Marge was a strong, beautiful, decent lady, who loved Lee and her family with all her heart and her neighbors as her self. I cherish our times and talks together.*

*She was a teacher by example. May Marge rest in peace as she fought a long battle to be able to be with all of us. Thanks to Siteman Cancer Center for helping Marge. Marge helped others by her participation in treatments. Peace to the family.*
