“ Dear Tammy and family,

*It was my great privilege to meet Mrs. Withers. She stopped by to see me on the evening before my discharge. One could misconstrue some of her chats if one came at the middle. She wanted to wish me well she said because I liked listening to her recipes. I wish I had had presence of mind to write them down. The magic and elegance of her life lives on in each member of the family! What a joyous Christmas gift! Be at peace, she is preparing a garden to behold in the next events to come.*

*Please accept my sincere condolences and prayers in this time of sorrow, I believe turned in to joy!*

*Humbly,*

*MaryRyan*
