“ *I always enjoyed visiting with Marilyn and was sad to lose her as a neighbor. She always had the most beautiful yard and helped out our neighbors Stan and Dixie by cooking and baking for them often until they passed away. She was such a special person and I have her family in my thoughts and prayers.*

*Sincerely,

“ *Marilyn will be missed by my family especially my sister, Robin. Marilyn has been a part of us for many many years. She was a best friend to my sister and ultimately a best friend to all of us. My prayers go to you Kip, Missy, and her brother. I have many memories of your mom and sister that I will hold dearly in my heart. With a heavy heart I send you my prayers. Chris Nicholson*
