“ *I'm so sorry to hear of Mark's passing. I have not seen nor talked to him in years. We were grade school, junior and high school friends. I agree, he was a fun friend. I'll remember him that way. My condolences to your family.*

“ *I grow up with Mark being around. I also went to Junior High School and High School with him. He was there when I needed him to talk to. He was a funny guy. I love you Mark and miss you. Faith A Wheeler (cousin)*
