“ *Marcus, I sure miss you buddy. You have taught me many things, more than you know. More than anything, I have witnessed what an honest, hard working and loving man, husband and father you are, and I know now just how blessed we have all been. I treasure the times we have had, whether it was a night out at the pool hall, or dragging you out of the house at 3am in the dead of winter to go sit in a tree all day. This world will not be the same without you. Please rest easy knowing I will take good care of your girls. I love you Marcus, and I will see you again someday.*

“ He was my hero, rock, protector and friend. I was always safe, loved and home when my dad was there. I have never met a more unselfish, honest, hard working and loving person than him. Even though he was a man of few words, you knew how important you were to him with just one wink of reassurance or a grin of pride. I could not be more proud to call him my dad. I love you Daddy

I'm so sorry for the loss of your Dad Shannon..(I've only had the pleasure of visiting him once, but I knew just that one time that he was awesome and I was glad to meet him, and so happy that he was my brother-in-law. Best cookies and warmest welcome I could've asked for.-Tanya Korte

“ Mark was such an awesome person, there was never a soul who met him and didn't instantly like him! I didn't have a big brother so God provided me the best there was. I have so many good memories I can't name just one. But I will say as a little kid I always looked up to him and thought he was the coolest ever..and That will never change!
