“ *Patsy, Chris and Carol,*

I'm so sorry to hear of Mark's passing. He was a great friend and a wonderful person. It was good to see you all at the visitation and although it was under such sad circumstances, it brought back many memories of the great times I had with Mark.

Peace in Christ,

“ Patsy, You probably don't remember me, but I used to work at Metzger's when you and your husband ran the Chamber of Commerce. I am so very sorry for the loss of your son, Mark. I won't even pretend to know what you are going through right now. I hope that knowing he is at peace and no longer suffering gives you some comfort. I will pray that you find the strength to get through this difficult time. God bless you and your family.

“ I had the pleasure of working with Mark along time ago after high school @ Briggs Resturant. We may not see each other for years but when we did come accross each other...it was just like old times. Mark was a very special person and I am so very sorry to hear of his passing. May he be at peace! He will always have a special place in my heart.
