“*Sorry to hear about Marvin, I liked him and Shirley alot. I worked with him at Jacoby's, but also was very close to him when he was minister at Victory Baptist Church I still live across the street from the church and my 3 girls wen to the church. My famil would always help in doing things for the church and for the kids activities. H was a very good minister and cared alot about his parish members. He will be geatly missed. He was called to do alot more good work and to be with Shirley again (they made a great team in their workings for the church). My thoughts are prayers are with the family*

“ Dear Daddy, I will always love and miss you. You fought like a real trooper until the end. I am blessed to have had you to look up to. Watching you work on your motorcycle saying you want to go for a ride? Go get jeans on put your glasses and helmet on and away we went. Teaching me to ride my bike and rollerskate. I know I distanced myself after mom passed but you know I always loved you. Im blessed to have said my peace and to have spent these last few months with you until the end. Until me meet again. I carry you in my heart and in my everday thoughts. I love you always:) Your baby girl Selena
