“ *Herm, Polly, Jill: Although Mary and I were miles apart, we were always close in heart. We have shared so many precious memories through the years. Our (Schwartz) family has remained very close through each generation. I already miss her knowing I can't pick up the phone and talk to her. I love her. Love to you*

*Mary, I only met you a few times, but let me tell you the few times I met you, I thought you were a beautiful lady. And you had the most beautiful girls. I loved being neighbors with Cindy and Jim and truly miss Cindy so much. She was a beautiful person as all your other girls that I have come to meet also. You sure raised a great bunch. I so love still living next to Jim and visiting with your family. Mary, I know you are now at peace and enjoying your life with Cindy. I know you are at a beautiful place now and no more sickness. Please have Cindy introduce you to my mom and give her a hug for me. Tell Cindy (Hi) and also, Mary may God Bless you and the rest of your family. Until we all meet again. Loving you and knowing that you are at peace and resting now.*
