“ *I just wanted to let you know how sorry I am to hear about Mary Jane's passing. My thoughts and prayers are with all of you at this time. I worked with Mary Jane and your Aunt Linda at Steak n Shake for many years and we had great times in the office without your mom that office would not have been the same happy place that it was for many years. Your mom was such a strong woman and she taught me a lot of things about life and becoming a strong woman and being a good wife and mother. Thanks for sharing her with us for those years. She talked about all her children and grand children so much that we felt we knew you all. The world has lost one of the good ones!*

Rest in peace MJ!
