“ *Growing up in Alton, we often visited their house after my dad' haircut. The kids spent time downstairs and the adults upstairs. Sorry for you loss Cara, Mike and Jamie. My thoughts are with you. I remember Mike's first fist time he had Crab legs. Good memories with the Peuterbaugh's.*

“ Sending our sincere condolences and prayers for your family, Mary and I often crossed paths, shopping, working as I too was in nursing, both born in 1944. Had boys that were good friends while in school, and played football together. Never new her maiden name was Malloy, but I infact attended St. Patricks grade School with a Mary Malloy. We never talked about that it was always catching up on the boys and work. There is so much more we have to talk about but I will see her in heaven. God bless you children and family members.
