“ *Greg-Rita and I extend our deepest sympathy to you and your family. I only knew Neal from the times I came to your house to visit you, but he always conversed with me and was a very kind man. I know he looked up to you Greg, and you are a good man for having taken such good care of him! I do know that Neal loved his NASCAR and I am thankful that I had the opportunity to know him and see his joy in the races that he watched and especially the joy you gave him during his life. He will be missed! May God be with you and your family.*
