“ I am sending my condolences to Mike's family, I went to Saints Peter and Paul school with Mike and Gay. I have very fond memories of us playing on the playground.

When I just saw that he had passed, it truly saddened me, and my prayers go out to each and everyone, I understand how hard it is to lose a loved one.

Had there been a visitation I would have come. Though words can't ease your sorrow, hearts can share your loss.

May the love of those around you help you through the days ahead. May you take comfort in knowing an angel is watching over you.

May the peace that comes from the memories of love shared, comfort you now and in the days ahead.
