“ Mike has been my best friend since high school. Though we often parted ways, through time we got back in touch with each other to catch up and more. For the past few years we often talked with each other, joked, teased, discussed politics, family, and on occasion, got together with our spouses and went to eat. He was more than a friend, he was family. He will forever be in my memories and will be sorely missed for the rest of my live long years. My deepest condolences to Sue, Sarah, Jacob, his parents, his brother and their families. Forever in our hearts, Rest In Peace my friend.
