“ I worked with Mike for a few years. He struck me as a very "down to Earth" nice guy. We were the same age and we had a lot of similar experiences in life and a lot of the same interests. I truly wish I had met Mike many years ago as I'm sure we would have been great friends. I will miss his stories and his laughs.

“ Mike was a very kind, humbled person at work and always a Gentleman in every way. He always used words of gratitude, which are few and far between these days. He will definitely be missed and my prayers are with his family and friends.
