“ Mike was my long-time AA Sponsor when he lived in Kentucky. He was a great sponsor and a loyal and beautiful friend. I am so thankful for all the time I got to spend with Mike and will never forget him. He was always available for help any time I asked. Once, he helped me load a very heavy table saw into his truck and then off-load it into my workshop in the backyard. Never hesitated, just said "Sure!" Sue and I send our hearts out to his family, who I feel like I know even though I've yet to meet them.

“ Mike has been a lifelong friend to both Dick and I. He was instrumental in bringing us together and for this we are grateful. We have enjoyed visiting and being together and seeing his smiling face. We have treasured his friendship, love and support over the years as well. Mike was a true and loyal friend, and we will miss him. He will be deeply missed by all who knew him and will leave a hole in the hearts of those he leaves behind. Our hearts go out to his entire family, especially Shannon, Sean and his grandchildren. We send our love to all of you in your time of grief. Love, Dick & Sue Murphy

*Mike was one of the nicest and most humble people I have ever known. I always enjoyed being around him and have many fond and often funny memories of Mike. He will be missed.*
