“ *We went through school together. He made me get a swap in kingergarten when he would not take a nap and rolled every which way. Mrs. Harris aimed at him and hit me when he moved. I also remember the oven issue with the minor explosion. I always liked you Mike and will remember you always.*

“ *our sincere sympathy to the McGibany family and Sue Cowan on Mike's passing. We've been neighbors for about 6 years. Mike was always friendly and waved when we drove by. RIP Mike and prayers for all the families to get through this hard time.*

“ *I have fond memories of Mike sitting on your family's front porch on Horn Street. Over the years I would see Mike and catch up on what was going on. We will miss him.*
