Judy Conley - January 01, 2019 at 10:45 PM

“ *Mike, I will miss you. I loved teasing you about being the older of the two of us- thank goodness you went gray before me or I bet you would have found some way to tease me back. I remember how you looked me in the eye while you put your fork in my slice of cake after I said I got the bigger piece. I know you didn't communicate like everyone else but I always looked forward to hanging out. Love you.*
