“ *Mickie was one of the kindest, sweetest women I've ever known. Her love for her family and grandkids was unbeatable. Always a kind word or a warm smile- that was Mickie. Sincere condolences to you all. I know she will be missed. So glad I got to make her acquaintance. Susie Pruetzel*

“ Prayers to the family. I was completely heartbroken to hear of her passing. I live in the same neighborhood as Mrs. Boomershine and wanted to share a story with the family. I watch a little 2 year old boy, Jack, and just a few months ago we were out on the golf cart riding around enjoying a nice summer day. We drove by her house one day and waved to her. The next thing I know, she is in her car hunting us down in the neighborhood all so that she could give Jack a \$20 bill for the ice cream man. We tried to decline it but she was insistent. The amount of joy that she brought to our hearts and of course Jack when he got his ice cream was immeasurable. She was a true definition of what we need more of in this world.

Her house was also my favorite to take my now 13 year old son trick or treating. She was always so excited to see the kids and loved engaging in conversation with them.

She will truly be missed by all because I can only imagine the light she brought to others.
