“ I miss aunt middie a lot. The oatmeal she would make me, the carrots she would peel for me, the Chinese checkers board game we would play. The bird statues in one of her curio cabinets. I miss her so so much and all of the things we use to do. She would let me reorganize all of her elephant statues and I remember her letting me and my sisters dress up with little clothing items she had when we wanted too. She was a huge part of my childhood and I'd give anything for her to meet my daughter today. I know she would've absolutely adored her.

“ *Debbie and Kathy-
I am so sorry to hear about your Mother. Most of my childhood memories are of Millie and my Mother. Millie's smile and laugh plus that unique voice of hers are things I will always remember. I know that it is very difficult now but time does heal all wounds and the smiles will return. Our thoughts and prayers are with you and your family. All our love. Tim and Sally*
