“ *She was a lovely girl, fun, generous, pretty. I liked and admired her in school. She will be missed by her in the Alton High Class of 1960. I know she was loved by her big family and many friends. My thoughts go out to all of you.*

“ *Sis was my neighbor pretty much my whole life growing up on State Street. We shared a driveway so we said hello as we were leaving our houses quite a bit. Every time I said hi, she was always very pleasant and kind, and her good energy lifted my spirits no matter what I had on my mind or what was going on that day. I'm sure other people experienced the same thing, but I feel lucky to have had it happen to me so often. Sis, we will miss you and the joy you brought into the world but I know that it lives on through your family. Warm wishes,
Eric*

“ *What a loss this is for everyone whose lives she has touched. She was always so upbeat and kind to everyone. She absolutely adored her children and grandchildren. I will miss her terribly and I pray for the family to be able to get through this rough time. I am sure they know that she will still be with them because she wouldn't have it any other way.*
