“ *Myrna was like a second mom to me during high school. Mike was my best friend and I spent many a day and night at her home. She was always welcoming, and man she could cook! I have very fond memories of that time in my life and she certainly played a part. I wish we could all be together at this time to share the memories of how Myrna touched our lives. She, no doubt, has gone to a better place, but she will be missed nonetheless.*

“ *I loved Myrna Dilley. She filled a void I have had in my heart since I lost my Mother. She was an amazing woman and a wonderful friend. God most certainly gained an angel. She will live in my heart forever. Rest in peace my friend and know how much you will be missed.*

“ *Not sure how many times I came across Mrs Dilley through Lee Ann but I remember thinking I CANNOT mess up with Lee Ann BECAUSE her mom works at the church and that would be disastrous!!! I really only knew that if she is raising a wonderful girl like Lee Ann then she is really ALRIGHT in my book!!  
Til we meet again, prayers for y'all*
