“ *Myrna was my very near and dear long-time friend. We worked together for sixteen years at Peavey/Conagra. We remained friends after Myrna retired and still ran around and had fun. Myrna was very quick-witted and fun to be around. She was also very generous and devoted a LOT of time with her parents when they needed her the most. She loved her children, grandchildren, and great-grandchild to the moon and back. I will miss Myrna for the rest of my life. May she rest in peace with her family already in Heaven, and especially her husband Sam.*

“ *Myrna was my supervisor at ConAgra & at times I know almost tried her patients but she was always so gracious & never yelled. (I don't know how she was able not to.) The sun will shine a little less brightly without her in our world. Prayers for family & friends.*
