“ Nick my precious nephew, I love you so much..even though we have been miles apart for so many years...the time I got to spend with you when you were very little is a time in my life I would never trade for anything....holding you in my arms while you fell asleep on my chest and waking up to lying on me after getting out of bed at some point and coming out to lay with Aunt "Rhodda"those moments I will treasure until I join you in the clouds. RIP my sweet Nick.
