“ *I have no memories where Nora was not in them. I remember when I was very young she babysat me. I would watch her clean and was amazed the lengths she went to. I never ever heard Nora say a bad word about anyone there was always "good" somewhere in people. Nora always wanted to help other people. After we moved anytime I would see Nora I would break down and cry because I missed her so much and I never wanted there to be a day without her in it. Love you Nora.*
