“ *My deepest sympathies. I really thought very highly of Mr. Wolf, and although I only knew him for a brief time when working sound for Cony, I admired and respected him. I wish we had been able to have found the time to fished a little. I only today learned of Clint, Cony and Dianne. I wish I had stayed in touch more even though I have been touring the last six years. Only too late we discover how short time is with friends and loved ones.*
