“ I am totally devastated. I met Pam over organizing an Event for our company. She was the kindest, loveliest and most hard working Colleague I ever had. So many times we laughed and cried together. She was a true soul. Always there for others. I will miss her immensely.

May you rest in Peace, may you light up the universe as you enlightened me and so many others. I will miss you always.

“ Throughout this most difficult chapter of Pam's life, she never lost faith in God. She was an inspiration to many, and sang the praises of her son, Joe, who cared for her during this time. Until we meet again ♡
