“ There are no words to describe the hole that I feel in my heart from hearing of Pam's passing. My world will never be the same. She has helped me through some of the most difficult times and decisions of my life. I have laughed until I cried over her stories and the thousands of times that she has told me, "Well I don't think I like that," when someone animal (her preferred companions second only to her grandchildren) or human has been wronged. Jason, Jeffery and family you have my deepest sympathies and will be forever in my prayers.

“ It was the saddest news to hear of Pam's passing. Just loved visiting with this sweet young lady. . I watched her grow up to be the friendliest and interesting woman. I remember that little pig she had. and she had some funny stories at the time. . And her 2 dachshunds were lucky to be with her.....she so oved animals .not quite as much as she loved her family. They were most important to her. Anyone who knew Pam will be missing her immensely. My prayers are for Pam and all of her family. Mrs Thar (Sally)

“ Pam and her family were our neighbors back in the 80's. We used to laugh about our names. She and I were Pam married to Dennis's. She was a fun person. Rest in peace and prayers for her sons and families.

“ Pam, you always gave me reason to laugh in high school and then on to ICC to pursue our nursing studies. You were always a bright light in my life. Thanks for piercing my ears with a darning needle and a potatoe behind my ear and a washcloth in my mouth so I couldn't scream in high school. You did good. I still have my signature ear piercing from you. The world was a better place with you. Until we meet again...Sue Kaiser
