“ *I sang in the choir at the Seabee Base Chapel in Gulfport, MS for many years with Pat playing the organ. When the Christmas card I mailed her came back I knew she was gone from us. I loved her very much and look forward to the day I see her again!*

“ *Ive got to meet a very special lady by doing her hair for the last 13 years. We became friends I loved her like a grandma. I would do anything for her . We met at my shop every Friday at 2 o'clock . when she needed rehab after going to hospital I was there to do her hair then when it was time for assisted living I was there to do her hair We've talked about everything I Knew everything about her children and grandchildren but never met them. She's been with me when my mom lost her legs watch my children grow up. Seen me enjoy being a newly Grandma of my two grandsons. Pat I love you and gonna miss you dearly. Rest In Peace*
