“ I had the pleasure of working with Pat at ARC for many years. She was the best school nurse and always willing to do whatever it took to service the students we served. Pat was also a good friend and I will always treasure my time working with her. May her and Harvey continue their life together!

“ I had the privilege of working with Pat in her many capacities at ARC. She was willing to do anything that benefitted the children and would fight for whatever they needed! We also went to the American Red Cross CPR Instructor school together and then taught many CPR classes together. Besides being a full time school nurse, she wore many hats at ARC and wore them proudly. She also returned, after retiring, to volunteer for many of the school activities, swimming (even volunteered her grand daughters), Special Olympics, Prom, etc... About 20 years ago, we decided to start playing cards at each others home! Pat was known for making her delicious Texas cake and pies when she would host. Pat would often share stories about her children and grandchildren whom she adored! And if a Cardinal game was on, we would have it on the TV; she was a dedicated fan! Pat will definitely be missed by many!!! Loved her!

“ I knew Pat through work at ARC first, then choir at SS. Peter and Paul, and last through our crazy card group. Loved her so much and valued her friendship! She will be missed! --Mary Tanner
