“ With such great sadness, i send my thoughts, prayers, and love to all of Patty's family. She was a special light in the world and will be missed by so many. Many years ago in the spring after my father died, my siblings, mother, and I visited the O'Neill family. I found it so difficult to be there because the memories of my father's illness and death overwhelmed me. I went to their kitchen to sit by myself and I started to cry. Patty came into the kitchen and stood next to me. Before I knew it she was hugging me and telling me it would be ok. Even as a little child, she had such a wealth of compassion and love. It touched my heart that day and I have carried this memory all my life. Thank you sweet Patty for the hug and the kindness and love you have shared with so many throughout your life. Sleep with the angels, dearest cousin. I love you.

“ *What wonderful memories I have of the O’Neill’s when the family lived on 12th St.*

Meg are you reading this? I think I spent more time there than at home. Patty was always so sweet to me even though I’m sure Meg and I were little pests. I was so very sorry to hear of her passing. My times with Doc, Mrs. O’Neill, Gail, PJ, Patty, Meg and Johnny were some of the best of my youth. My sincere sympathy to my dear old friends.
