“ *I loved this sweet and funny lady. I don't care if I ran into her three times on the same day, she'd always act like she hadn't seen me in months. She'd give me hugs and ask me how I'm doing, completely ignoring the fact that she was in a wheelchair. She didn't want your pity, only your friendship.
Keep smiling my friend and give my baby sister a hug for me.
Your friend always,
Linda*
