“ *Our deepest sympathy on the passing of Patsy. She was a wonderful nurse. Always enjoyed visiting with her at visits with Dr. Hardback. Her laugh was contagious and even in the busiest of times, she always had time for you. I did my office rotation in OB at Dr. Hardbeck's office and she taught me so much. Prayers of peace and comfort for the family.*

“ *I first met Mrs. Banks in 1968 , pregnant with my 1st child, when she was a nurse in Dr. Hardbeck's office. She was always so kind, patient, friendly and understanding with any questions I had with my 2 children. I always LOVED seeing her either in the office or at Alton Memorial Hospital. Thank you Patsy for ALL the love and understanding you always shared.*

“ Cannot think of my mom-in-law without remembering all the wonderful meals and holidays at her home. She always sent cards for every occasion and brought a gift from every trip. She was so hospitable in spite of her tiny kitchen and small house. She always made sure you were comfortable and had a drink of the famous Banks ice tea. She could decorate and it always looked good, never like clutter. A lady of fine taste who loved real flowers and nothing fake. She was always interested in the people around her and was a go-getter who was always ready for a community activity, or interesting travel whether the Grand Canyon or Scotland! She was also known for her home made pies, especially black raspberry glaze, and the special occasion hickory nut cake with nuts that she picked out of the shell herself!!

Patsy was much more than Dad's nurse, which she did a phenomenal job! She and Jim were family to all four of us kids. I remember all the good times we have had and it brings smile to my face and makes my heart happy. Thank you Gary, Barb, and Greg for sharing your parents with us! We love them dearly 🍷🙏🍷
