“ Phil was the best big brother and my buddy growing up. He helped me choose the spelling of my nick name ,Cheri, when i was 4. He was patient and kind and played with me often. We had so much fun together. He also helped me through a lot of difficult times and was always my friend and never turned me away when i needed a shoulder. He always had a silly joke and loved to make others laugh. He loved the company of his family and was loved by so many. He had a huge heart, kind spirit and gentile soul. God's got you buddy. Save me a seat next to you.

Joe, little Joe, and family. I just ran across this news today! My heart is heavy with this news. Phil would always make me laugh when I would come to the house to cut everyone's hair. I have missed all of you since you moved away from Cape. I know Phil is in good Hands and back with Wilma and many of the others. May God Bless you with many of the good memories you have of him until your day comes to greet Phil again. Marcy Money Abernathy
