“ *Hello, my name is Debbie Morris and I worked with Dr.Ralph many years ago as a Chairside dental assistant. I knew Barb and Mark from working in the office and also Nancy when she came by to help out too. I want to offer my deepest sympathies to each of you in the family at this time of his passing. I learned many things about dentistry from him and remember him fondly. Blessings to each of you and may God, our Heavenly Father, provide you with peace and comfort during this most difficult time. As Christians, we know that we will all be see each other again at the 'awesome Family reunion' in Heaven someday. You are in my prayers today.*
