*I was blown away when I read you had passed. It hurts my heart to know the world and all who love you has lost someone so special..You're an amazing friend Bec, and a wonderful person, I don't know what I'd have done without you helping me with Mom an Charlie..Im forever in your debt for being such a good friend to them and me, you were many times my strength, always with positive words of encouragement...I'd just recently picked up a cute salt n Pepper set I wanted you to have that I thought you'd find cute..Rest in Peace sweet lady, I pray one day I can hug you again. Love you always*
