“ Happy Birthday Auntie! Larger than life your soul was! Every memory I have of you I can describe in one word FUN... no matter what, you created the best energy in the room!! Your witty happy soul lives in me always,,,, I was little becky !!! I really got lucky 🍀 to have an aunt like you,,,, I can not remember one time you ever yelling or getting mad at us kids!! You weren't one of those aunts who worried much about us being proper or having to be on our best behavior, we got to kinda be the boss (Laurie and I) lol. No boundaries, as a kid/teenager that was the best!! Your laugh was contagious your spirit and soul was angelic, your love for God and family lives in me., your daughter my dear cousin/ my sister thanks for instilling in us that importance of FAMILY and LOVE and FUN! Rest In Peace aunt Becky tell daddy grandpa and grandma hi. Watch over us and we will see you again in our dreams memories and when we are called home !!!
