“ To Regina's family.

*I am saddened to hear of Regina's death. My prayers are with your family.*

*I attended school with Regina since Godfrey Grade School and also was friends Ron, her brother. Having grown up in Belmont Village we knew the Auers and always thought highly of the entire family. Everet use to cut our hair as we would walk or ride our bikes to his barber shop during the summer months.*

*I will never forget, (just told this story over Labor weekend to my cousin from Tx who was in Colorado memorializing his sister) of how my brothers and I were soooooo excited when my mom let us go and actually tell Mr. Auer how he should cut our hair! Although when we left the barber shop it appeared that it was nothing like what we had told him. We all just figured that he was not a very good listener, Seems (we found out years later), that on our bike ride down to the barber shop our mother had called and filled in Mr. Auer to hear us out on our desires for longer hair, then proceed in giving us 3 boys the hair cut our mom paying for. Same one we always got...lol.*

*God love you mom.*

*May God bless you and yours during this time of loss.*
