“ This is going to be so hard today, but we will get through it . I miss u already, but I know you are with some wonderful people. I am so happy I told you I loved you the last time I saw you. You were such a good caring person. I know God has a job for you in heaven. You are an Angel in my eyes. I love you Uncle Vic. My thoughts and prayers do go out for all our family. You have touched so many lives.. You will never be forgotten. Taylor and Bradley will carry on the Cubs Tradition. I will never forget the time I bought you a Cardinals Tee shirt and you just laughed at me. I wonder who you gave that to. Because I know you didn't wear it. Just remember Uncle Vic , a lot of people are sad today, because we have to say goodbye, but we will see you again. Give all my love to our family who are in heaven. I know you Dad Pete Joe are having a Mexican fiesta. I know your sister and Theresa, along with Rita and Donna will be happy to see you. You will always be my sweet Uncle. All your nieces and nephews love you very much. I was so proud to be your niece. Love you Uncle Vic. Your niece Margaret.

“ Dear family, I just wanted you to know that our prayers are with each and everyone of you, our church has us in their prayers as well. We were truly blessed to have known Uncle Vic and proud to call him our brother or uncle. May God comfort each of you and I know He will if you will allow Him to. Peace I leave with you, my peace I give unto you: not as the world giveth, give I unto you. Let not your heart be troubled, neither let it be afraid. John 14:27 We Love You All.

“ Uncle Vic to me was a very inspirational person who would give, give, and give and would never expect anything in return. He makes me want to strive to be just as amazing and great as he was. When people saw him they saw a beautiful light that would shine so bright it would make everyone feel peace in his presence. I always admired the way he would willingly help others and how his heart was filled with love for others. I will never forget the sweet cards he would always send me on special occasions. That would always put a smile on my face. He is an inspiration that will live in my heart forever.

“ *Dear Family,*

I would like to express my sympathy on your loss of the wonderful man, Richard

Vic Gonzales.

I first met Vic back when I was around 17

yrs. old, played basketball with him down at the old YMCA in Alton, and later Fastpitch softball with him. Don Twitchell, Jonny Bob Scroggins all were friends and played on the teams. I only

knew him as Vic all that time until now, when I first saw this in the paper, I had hoped that it would not be him.

You, his family, and the whole community are mourning this loss.
