“ I can't believe I'm sitting here signing this guestbook. It just does not seem possible that you are gone. I will forever cherish your memories and the last few days I got to spend with you recently. I was hoping and praying for a miracle and praying God would take all of your pain away and GUESS WHAT?? HE did just that! Although I was hoping for an "earthly" miracle for some reason God was ready for you to be with him and what an AWESOME place to be! In complete "PARADISE" and NO MORE PAIN! We will miss you so much and forever cherish the time we had with you. Thank you so much for always helping and fixing my car when I needed something. it will NEVER be the same! It's not goodbye it's until we meet again! Love you, Uncle Rick! RIP! FOREVER IN MY HEART!
