“ *Susy, Scott and the entire Tindall crew,
Please accept our sincere sympathies on the passing of Dickie. It
was always was such a treasure when we bumped into each other
in town. I will always remember his laugh and quick wit. May God
turn your tears of sorrow into tears of joy as you remember his love
for family and friends. He brightened many people with his
personality and was a true treasure to know. Makes me confident
that heaven is a brighter place with his stories, jokes and passion
for life.*

God bless you all.

“ Susy, Scott

I want to extend to you both our sincerest sympathies and prayers and blessings. The years of the boys playing ball was really a great time!. So many memories and fun parties we all enjoyed. I also was blessed seeing Dick occasionally at work when we would talk components , grating and general bs. He was special, I enjoyed sharing the time. God bless him!

“ *Dick and I were baseball teammates when we were kids. We were both lefty's and shared 1st base duties. Accordingly, we also pitched. Dick(y) was a great player and was always better than me. I hadn't seen Dick in over 50 years and finally saw him at an evening meal a few years ago at the Moose Lodge. I am happy that we spent a few minutes together.*
