“ I’m not sure who will read this, but I want to introduce myself. My name is Becki Meyer Essner. My father was Rupert Meyer, brother of Richard’s mother, Margaret.

I am working on some family genealogy and stumbled on to this page. I have come across some pictures of Richard as a baby while going through my dad’s old pictures.

I really never knew Richard when I was growing up and met Brant Walker for the first time when Margaret’s sister, Theresa, passed away.

So, I just wanted to introduce myself and send my sympathies on Richard’s passing.

I hate that I missed an opportunity to get to know Richard. Life is too short...

Peace and Blessings.....Becki
