“ He was a great guy dad friend. He was always playing with his kids and who ever showed us to play badminton, whiffle ball, cork ball in the neighborhood field or just cool off in their pool. We all would go on long bicycle rides and end up at a local ice cream shop for treats. RIP Bob you will be missed by many!

“ You were all such a big part of our lives growing up. We spent lots of time together at each other's houses. I remember coming to spend the day with you all and how much I enjoyed it. Bob raised his family well and has three wonderful kids to prove it. I know he will be missed terribly.
